EXAMPLE OF RESPONSIBILITIES IN HAITI:

Each intern is in charge of a bathroom and a few rooms. You will get your assigned room and bathroom once you arrive in Haiti. It is your job to make sure your teammates know the bathroom rules and room rules. You will also be doing the HAITI Welcome tour with your group.

Each day, you must check in with the teammates in your assigned room area. Make sure they are drinking enough water, they are feeling okay, and ask them if they need anything. Make sure you show the teammates how to use the A/C controllers. It is your job to make sure everything is functioning properly. This means lights, air units, bunk beds, etc. If something is not working, make sure you tell the person in charge and they will let the Haitian Director know.

You are the DJ's and in charge of some devotions. You must be prepared to lead a devotion at any given time.
